Ms. Smith wondered if ShopRite or Acme would be able to donate reusable bags or if CAC members could collect reusable bags to distribute. Ms. Chajes did not feel like there was enough time to organize. Ms. Chajes asked Leanne Moore if the CAC could present at TNP's next restaurant meeting and Ms. Moore was amenable pending and would update Ms. Chajes. Ms. Smith suggested the meeting be another article for the Conservation Corner display at Community Day and Ms. Chajes suggested that the articles include QR codes so visitors would not have to congregate; she would investigate options. Ms. Smith would get in touch with Mr. Del Grande and Ms. Chajes would speak to Mr. Martindale.

Ms. Smith stated that she had an easel and poster board to illustrate the CAC's functions. Ms. Chajes suggested a survey and Ms. Smith noted that the CAC sometimes used a suggestion box. Ms. Smith thought Dr. Irvine might still have the physical suggestion box and she reach out.

The meeting adjourned at 7:40 pm.
