FOR IMMEDIATE RELEASE

SUBJECT: Newark Police Investigating Body Discovered at Wilmington Landfill

The Newark Police Criminal Investigations Division is currently investigating the case of a body being discovered at the Cherry Island Landfill on 12/31/2010. At approximately 9:56 am the Wilmington Police Department was called to the landfill to investigate a report of a body being dumped out of a Waste Management refuse truck. The subsequent investigation by WPD revealed that all of the stops that the Waste Management truck made occurred in the City of Newark. Newark Detectives then became involved in the investigation.

The Delaware Medical Examiner's Office conducted an autopsy on the victim and ruled the death a homicide. The identity of the victim is not being released at this time, pending the notification of kin.

Based on information learned during the autopsy, it is believed that the body was not in the dumpster for a long period of time. All of the pickups made by the refuse truck were of dumpsters. The first pickup of a dumpster was at 4:20 am on 12/31/2010. Due to the body's position/location in the refuse truck, it appears that the dumpster was emptied at the beginning of the route. Anyone seeing suspicious or unusual activity in the early morning hours of 12/31/2010 near the below listed locations is asked to provide that information to police.

The locations of interest are as follows:

1. WSFS Bank, College Square
2. Newark Library, Library Avenue
3. Gardens of White Chapel, White Chapel Drive
4. Hudson State Service Center, Ogletown Road
5. Newark Toyota, Marrows Road
6. McDonald's, E Main Street
7. Attila Wings, E Main Street
8. Newark Emergency Center, E Main Street
9. Bing's Bakery, E Main Street
10. Goodwill, Newark Shopping Center
