FOR IMMEDIATE RELEASE

SUBJECT: Three Apprehended for residential burglary

The Newark Police Department has arrested three individuals for a weekend burglary in the unit block of Cochran Way in which a bicycle was stolen from an unsecured attached garage.

On Saturday, April 23rd at approximately 4:10pm the Newark Police were notified after a resident observed three suspicious male subjects in the area of Cochran Way, one of which entered into an unsecured garage and removed a bicycle. A responding officer observed the three subjects, all riding bicycles, as they entered into the School Lane Garden apartment complex. When the responding officer entered the complex he contacted the first subject, Andre Money, who was still riding a bicycle and was found in possession of bolt cutters. Money was taken into custody without incident. Officers then observed that the other two subjects had discarded their bicycles and had walked behind an apartment building on foot. The officers located the subjects and ordered them to stop. One of the two, Millard Bayard, stopped and was taken into custody without incident. The third subject, Ron Harris, fled on foot and was apprehended after a brief foot chase.

One bicycle, operated by Andre Money, was confirmed as stolen from the Cochran Way residence. It is unknown if the other two bicycles, described as an orange and white Raleigh Retroglide and a blue and black Trek 3700 mountain bike, are stolen. Both bikes are secured at NPD Headquarters pending the identification of the owners.
