SUBJECT: Indecent Exposure

The Newark Police are alerting the public to two incidents of indecent exposure which occurred in Newark on April 15th, 2012 and are looking into whether these two incidents are related to five previous incidents which occurred in the fall of 2011. The Newark Police are looking for a white male between 25-35 years of age, approximately 5'10" tall, 175lbs, with either close cropped hair or possibly bald. The suspect may be operating a gold or tan colored sedan displaying a white license plate.

The first incident occurred at approximately 8:55pm on April 15th, 2012 when the naked male was observed by a female who was walking on Wilson Road. The naked male was first observed walking in front of a home in the 300 block of Wilson Road and then walked between two homes and out of sight. Shortly thereafter, the subject; now clothed in blue shorts and a gray t-shirt, was seen running from the area to a gold or tan colored sedan parked near the corner of Wilson Road and Cheltenham Road.

The second incident occurred approximately 35 minutes later in the 100 block of West Park Place. During that incident two female subjects were walking on the sidewalk when they observed a male, with the same description as above, hiding in the bushes in the side yard of a residence. The subject then dropped his pants and exposed his buttocks to the pair. The suspect then fled the area on foot.

A copy of a previous press release dated 12/2/11 detailing the five previous incidents is attached for review.
