

WEEKLY REPORT
05/04/14-05/10/14

On Saturday, May 17th beginning at 8:00 a.m., the written exam will be administered for Newark Police Officers aspiring to the ranks of Master Corporal and Sergeant. The exam material was purchased from the International Chiefs of Police Association.

Beginning Monday and continuing through Wednesday, the oral interview portion of the exam process will take place. The oral board is comprised of Deputy City Manager Andrew Haines, along with a representative from the Wilmington Police Department and the Delaware State Police.

The police department has completed preparations for the Memorial Day parade and ceremony this Sunday beginning at 1:00 p.m. Traffic assignments are in place to handle traffic detours.

Plans have been put in place for the University of Delaware Graduation Day ceremonies. The Vice President of the United States will be the Commencement speaker which makes security and traffic plans tighter. Newark Officers assigned to work the graduation detail will begin work at 4:00 a.m.

One of our officers was injured while making an arrest and wrestling with the suspect last week. When he is able to return to work, the officer will be on light duty for at least a month. This will be our second officer currently assigned to light duty.

A formal promotional ceremony is scheduled for May 22nd at 3:00 p.m. in council chambers. Christopher Jones and Michael Watson will both be officially promoted by the City Manager to the rank of Master Corporal. Delaware's Secretary of Public Safety is expected to be the keynote speaker.

Our detectives were very busy last week and have arrested and charged suspects in recent burglaries, drug activity, robbery, and the false report of a bomb at one our automobile dealerships.

Our patrol officers have been very vigilant in keeping disorderly conduct to a minimum these past two weekends. Due to the warm weather, there has been an increase of late night outdoor activity.
