## ORIGINAL RELEASE

### SUBJECT: Newark Police Investigating Fatal Motor Vehicle Collision

The Newark Police Department Traffic Unit is currently investigating an alcohol involved single vehicle fatal motor vehicle collision, which claimed the life of a 30 year old male.

On Monday March 23, 2015 at approximately 1:18 a.m., the Newark Police Department responded to a single vehicle collision in the 700 block of the southbound lanes of South College Avenue (DE 896). A 1997 Lexus ES300 drove off the right side of the roadway and struck a tree. The front seat passenger was found unresponsive by responding officers and medical personnel. The 30 year old male passenger was transported to Christiana Hospital where he was pronounced deceased. Additional identification of the passenger is pending notification of the next of kin.

The driver of the Lexus, a 35 year old male identified as Terrance Anderson of Newark, was also transported to Christiana Hospital. Anderson is currently in stable condition.

The roadway was closed for approximately two and half hours while the on-scene investigation was conducted by the Newark Police Department Traffic Unit.

Charges in the incident are pending. Additional information will be released when it becomes available.

Anyone with additional information about this incident should contact Corporal Patrick Craig at 302-366-7100 ext. 3416 or [Patrick.Craig@cj.state.de.us](mailto:Patrick.Craig@cj.state.de.us). You can send an anonymous text message tip by texting 302NPD and your message to TIP411. Information can also be provided anonymously to Crime Stoppers at 1-800-TIP-3333, where a reward may be available.
