**SUBJECT OF PRESS RELEASE**  
**Project Night Step, Joint DUI Enforcement**

Beginning May 2, 2015 the Delaware Office of Highway Safety in partnership with the Newark Police Department and the University of Delaware Police Department will begin a two week joint DUI enforcement project titled Project Night Step. Officers from both agencies will team up to conduct saturation patrols in the City of Newark targeting impaired drivers.

Project Night Step is to remind everyone not to drive while impaired. Use a designated driver or take advantage of public transportation. Don't wait until you are too buzzed to drive to make a plan and don't ever ride with a driver who has been drinking.
