Between May 2, 2015 and May 16, 2015 the Delaware Office of Highway Safety in partnership with the Newark Police Department and the University of Delaware Police Department conducted a two week joint DUI enforcement project titled Project Night Step. Officers from both agencies teamed up and conducted saturation patrols in the City of Newark targeting impaired drivers.

During these patrols, 63 vehicles were stopped for traffic violations which resulted in:
- (3) DUI Arrests
- (2) Drug Arrests
- (59) Traffic Citations
- (1) Wanted Person Apprehended
- (1) Pedestrian Citation

Project Night Step’s goal is to remind everyone not to drive while impaired. Use a designated driver or take advantage of public transportation. Don’t wait until you are too buzzed to drive. Make a plan and don’t ever ride with a driver who has been drinking.

As a result of citizen complaints, our police officers and parking enforcement officers have been directed to watch for bicyclists travelling in the wrong direction on Main Street, South Main Street, and Delaware Avenue. There have also been reports of people skateboarding on the sidewalks.

Four new recruits will begin training at the New Castle County Police Academy on Monday, June 1st. Interviews have been conducted this week in the ongoing process to have more recruits ready for the Fall Delaware State Police Academy.

Plans are in place for this weekend’s increase in traffic and pedestrians attending the university graduation ceremonies on Friday and Saturday.
