NEW AUTOMATED YARD WASTE COLLECTION

Yard Waste Collection is going fully automated in 2016! Our Public Works crews are in the process of delivering 95-gallon yard waste carts to residents who place yard waste for collection. Carts beyond the first may be purchased for \$75 per cart. Residents who purchased yard waste carts from the City in the past will be reimbursed as part of the rollout.

In spring 2016, yard waste will no longer be collected manually. Residents may utilize supplied yard waste carts, or may label one of their other (recycling/refuse) carts with "YARD WASTE" for collection on Wednesdays, provided it is free of other items.

Food and Brew Festival: July 25th

Food and Brew Fest is all about celebrating the unique relationship between the culinary arts and the brewing sciences! Out & About Magazine and Downtown Newark Partnership are proud to host what has become a summer tradition: the 12th Annual Downtown Newark Food and Brew Festival. The event showcases more than 40 craft and imported beers paired with creative food offerings from Newark restaurants.

Unlike most beer festivals, this event takes place in the restaurants. You travel from restaurant to restaurant to sample the featured brews and tasty tapas-style dishes designed to compliment the brews at that particular establishment. Tickets are not required; this is a pay-as-you-go event. *To read more visit:*
