

WEEKLY REPORT

Auxiliary Services

- Brian Cannon is working with the State to implement the Text to 911 feature for our 911 system. This is a state-wide project and there are a few glitches to be worked out before the program goes live in Newark. No firm date has been set.
- Capt. Van Campen and Brian Cannon will be meeting with state archives. All microfilm has been digitized and existing film will be turned over to the state for storage.
- Capt. Van Campen will be purchasing five (5) new L3 microphones for the MVR's to replace broken units. This new microphone also requires an additional docking station to be installed in the vehicle because the current microphones are no longer supported. As existing units break, they will need to be replaced with the new technology. The existing MVR hardware is aging and will need to be replaced at some point in the future. Capt. Van Campen is starting a dialogue with IT to develop a replacement timeline, anticipated costs, and an analysis of introducing body-worn cameras.
- Capt. Van Campen meets with Josh Brechbuehl weekly. Discussions involved outfitting a potential police satellite office on E. Main Street with computers and phones. Josh relayed that he has hardware in stock and the only potential costs would be monthly Wi-Fi service. Also discussed was the termination of the current computer lease and the impacts on the police department with the implementation of a new lease.
- We received an award letter for the state E.I.D.E grant (\$9,100). This grant will be used for drug investigation related overtime.
- We received the 2015 CJC Byrne Grant (\$13,900) which will be used for overtime for special projects, crime reduction, and hotspot suppression.
- We are awaiting confirmation of the SALLE grant solicitation (\$8,391.00). This grant funding will be used for order maintenance overtime, controlled party dispersal, and the Newark Nightlife Partnership.

Administration Division

- The trading card project is underway and the officer's photos are nearly complete. Lt. Hargrove, M/Cpl. Micolucci, Cpl. Smith, and Cpl. Mease have been working with Kelly Bachman's team on a promotion strategy once the cards are done.

Criminal Investigations Division

- Nothing to report at this time.

Patrol:

- On January 23rd Lt. Rubin taught a Certified Instructor class at the Delaware State Police Academy.
- On January 25th -27th Lt. Rubin conducted a Standardized Field Sobriety Test (SFST) Basic class at the Delaware State Police Academy.
- During 2017 Lt. Rubin will assist with numerous routine teachings at both the Delaware State Police and New Castle County Police Academies.
- Also during 2017 Lt. Rubin will participate in the Office of Highway Safety Bi-Annual conference planning committee, the Delaware Impaired Driving Taskforce (Quarterly Meetings), the Delaware Impaired Driving Taskforce-Legislative Committee, and he serves as the Delaware Drug Recognition Expert (DRE) State Coordinator. Additionally, Lt. Rubin serves on the Court of Common Pleas DUI Court Steering Committee as a municipal police representative.
- On Sunday, January 29th Cpl. Spadola will attend the Arbor Park Civic Association semi-annual meeting.
- On January 25th, Sgt. Michael Szep (Patrol Division) and Sgt. Thomas Maiura (Street Crimes Unit) will begin the West Point Command and Leadership program hosted at New Castle County Police Department.
- On January 30th, M/Cpl. Conover and M/Cpl. Sansone will conduct a field training officer training class. They will train three (3) new field training officers in anticipation of the three (3) recruits graduating from the Delaware State Police Academy on February 10th.

Special Operations Unit:

- On January 26th Sgt. Aniunas and a representative from DATE are meeting with Grottos management and servers in order to address over-service of alcohol at the establishment. This is a follow-up to a previous meeting Sgt. Aniunas had with management, which was precipitated by several incidents at Grottos. Management has been cooperative.
- On January 26th Sgt. Aniunas is meeting with Parks & Recreation at their request regarding a program that Joe Spadafino was interested in instituting in Newark. The program is called PLAY (Partnering Law Enforcement & Youth). From what they described, officers will be provided with Parks & Recreation program calendars and be invited to participate in activities with the youth participants. It will be an open door invitation, so officers can show up whenever they choose.
- Special Operations Unit is continuing with the shoplifting initiative.
- On January 26th Chief Tiernan, DC Farrall, DC Feeney, Lt. Nelson and Sgt. Aniunas will meet with Carol Houck to discuss the feasibility of a NPD Satellite location on East Main Street.

Traffic Division:

- At the request of Downes Elementary, traffic officers are assisting with traffic control at dismissal time due to new procedures being put into place this week. Traffic is no longer allowed to turn left out of the parking lot onto Rahway Dr. and must now go straight onto Webb Road or turn right onto Rahway Drive. This is intended to alleviate pedestrian and traffic concerns at Rahway Drive/Casho Mill Road. The traffic sign board is also being moved to Casho Mill Road in order to assist with the effort.

SWAT:

- During the week of January 23rd Officer Taras Gerasimov is attending a SWAT course hosted by Wilmington Police Department.

K9:

- The Department of Natural Resources and Environmental control reached out to NPD to inquire on implementing a police K9 program. On January 19th Sgt. Jones provided detailed information to DNREC on what is involved with the creation and implementation of a K9 program. The information was very well received and may lead to additional information being provided to DNREC should they proceed with implementation.
- Earlier in the month, Lt. Nelson and Deputy Chief Farrall met with Nic DeCaire regarding the Friends of Newark K9 Fund. DeCaire requested that NPD advertise some of the purchases being made with the fund so that the public is aware their donations are being used. Lt. Nelson and DC Farrall later met with the K9 officers and made a plan for several purchases for the K9 unit over the next several months, which will be advertised to the public. A recent large delivery of dog food is the first purchase slated to be advertised.
