The Newark Police Department Criminal Investigations Division has identified Sumner and Talbot Long as the persons responsible for the April 25th, 2008 burglary of a residence on Baylor Drive, Newark, Delaware. During the burglary, the suspects entered into the residence after smashing out a window and unlocking the rear door. Once inside, a video game system was stolen.

A few days later, Talbot Long was being investigated by another police agency for a separate offense. Messages retrieved from Long's phone during that investigation implicated the brothers in this burglary.
