FOR IMMEDIATE RELEASE

SUBJECT: Bicyclist Injured in Collision

On Sunday January 4, 2009 around 8:00 p.m. a collision involving a car and a bicycle occurred on Elkton Road near Christina Mill Drive. The bicyclist, Timothy Robinson, a 19 year-old from Newark, left Christina Mill Dr, making a left turn onto Elkton Rd. Robinson crossed the left lane and partially entered the right lane, but realized a car was occupying that lane. He swerved back into the left lane, directly into the path of an oncoming Honda Accord being driven by Nancy Finnie of Newark.

Finnie applied the brakes but could not stop in time to prevent the collision. The front bumper of the car struck the rear tire of the bike, ejecting Robinson from the bicycle. Robinson was transported to Christiana Hospital and was treated for injuries that are not life-threatening.

Finnie was not injured. No charges were filed at the time of the investigation, however, a charge may still be lodged in the near future.
