Weekly Report

Criminal Investigations Division:

- From June 13th through June 15th, 2022, Sgt. Skinner and Victim Services Coordinator Melissa Pennachi attended “Traumas of Law Enforcement” training presented by Concerns of Police Survivors. The training focuses on how to appropriately respond to officers and their families that are affected by line-of-duty traumas. The conference was held at the Embassy Suites in Newark. Attendees came from across the country and as far as Alaska. Newark Police Chief Tiernan and Delaware State Police Colonel Zebley each gave opening remarks on the first day of the conference.

Patrol Division:

- On the evening of Monday, June 13th, NPD officers responded to a report of a male subject unconscious adjacent to the roadway on the dogleg from Capitol Trail onto East Main Street. The subject was treated by paramedics and transported to Christiana Hospital where he was pronounced deceased. It was initially believed that the subject had been struck by a vehicle, however, following further investigation it is believed to be medically related and not criminal in nature.

Special Enforcement Division:

- On June 13th, 2022, the Traffic Unit was called out to investigate the above referenced fatality which was later determined to be a medical incident. The Traffic Unit continues to enforce the No Left Turn prohibition on Cleveland Avenue at North College Avenue, and they will be positioning a sign board at that location reminding motorists of the restriction.

Note: Typically, the YTD numbers are generated by adding the current week statistics to the YTD statistics from the previous reporting period. Periodically, the numbers for this report will be generated from the beginning of the year to capture data that may have otherwise been omitted due to a processing delay or other administrative anomaly, more accurately updating the year-to-date totals.
