FOR IMMEDIATE RELEASE

SUBJECT: Man Exposes Himself to Young Females

An officer responding to a suspicious vehicle complaint on June 16 learned of an Indecent Exposure incident that occurred a week earlier. On June 9 around 3:15 p.m., four 10 and 11 year-old females were walking in the area of Bent Lane and Briar Lane in the Nottingham Green neighborhood, Newark. A car pulled to the curb ahead of the girls. The driver remained inside, staring at the girls as they walked. As the group passed the stopped car, they could see the driver had his pants lowered and was exposing his genitals. The girls continued walking; the car drove off.

The same car was seen in the neighborhood by one of the girls on June 16 around 5:00 p.m., which prompted the call to Newark Police. The investigation has revealed that the car has been seen driving slowly through the neighborhood on other days, including June 15, June 14, and on or around June 2.

The suspect is a white male, late 20's to early 30's, with short brown hair, and an average build. His left arm is heavily tattooed, particularly at the bicep. The car is a silver 4-door Volvo.

Parents are urged to warn their children about talking to strangers and approaching cars occupied by persons they do not know.

Anyone seeing the car and/or its driver should immediately call 911. Information pertaining to this incident should be reported to Det. Nick Sansone at 302-366-7110 ext. 135 or Nick.Sansone@Cj.state.de.us. Information can be reported anonymously to Crime Stoppers at 1-800-TIP-3333, where a reward may be available.
