• WHAT DOES RDF STAND FOR?

RDF stands for Resident Discounted Fee. The Parks and Recreation Department strives to provide quality and affordable recreation opportunities to the community. In recognizing that City of Newark residents support our department along with other city services through their city taxes, residents are offered a discounted fee. Non-residents will pay the regular fee for programs. If you’re unsure about resident status, you may call the Parks and Recreation Department at (302) 366-7000.

• WHO IS A NEWARK RESIDENT?

Newark residents live within the corporate city limits. Not all persons with Newark mailing addresses live within the city limits. If you receive a City of Newark electric bill, you are a Newark resident. Not sure? The Parks and Recreation staff will be able to assist you (302) 366-7000. Those persons not living within the city limits are welcome to enjoy our activities at the fee listed.

• DOES THE CITY OF NEWARK OFFER FINANCIAL ASSISTANCE?

The City of Newark is committed to providing recreational opportunities to everyone without regard to economic circumstances. For this reason, a fee assistance program for City residents is available for qualifying individuals (youths and adults). If you are interested in finding out more about the program, you are encouraged to contact Paula Ennis, Recreation Superintendent, at the Parks and Recreation office for more information. All inquiries and requests are strictly confidential. Funding for this program has been secured through the Federal Community Development Block Grant and is available on a limited basis.

• WHAT IS THE JAMES F. HALL YOUTH SCHOLARSHIP FUND?

The City and family and friends of Jim Hall have established a scholarship to honor his memory and recognize his great contribution to the Newark community. Jim Hall was the City’s first Parks and Recreation Director, an outdoorsman and a conservationist. He founded our Summer Playground and Rittenhouse Camp programs to share his love of nature with Newark’s young people. The purpose of the scholarship is to provide tuition assistance to youth who would otherwise be unable to participate in our activities and programs. For more information call the Parks and Recreation office at (302) 366-7000. All inquiries and application materials are strictly confidential.

• WHAT IS THE ANDY DONOVAN SCHOLARSHIP?

Andy Donovan was born on April 15, 1983 in Newark, Delaware. As a member of the Newark Parks and Recreation basketball program, he was the personification of sportsmanship. Not only was he an elite athlete, Andy was caring, bright, and dedicated. Very often Andy would bypass achieving a personal milestone to help improve younger and less talented children around him. Andy passed away in January of 2012 and this scholarship was established in his memory and to his commitment to sportsmanship and to Newark Parks and Recreation youth programs. The purpose of this scholarship is to provide tuition assistance to youth who would otherwise be unable to participate in our activities and programs. For more information call the Parks and Recreation office at (302) 366-7000. All inquiries and application materials are strictly confidential.

Standings are kept in the Junior league only, with each team qualifying for the playoffs. Players must meet age requirements as of Nov. 1. Registration deadline is before or at the skills session scheduled for the evening of Tuesday, Aug. 7. Late registrations will not be guaranteed a spot on a specific team. Practices for the Elementary and Junior leagues begin the week of August 20, taking place on weeknight evenings and weekends. League play will begin September 8. Games will be scheduled on Saturdays, with Sunday afternoons used as rain dates. The Junior league will also have games scheduled on Wednesday evenings. Players are encouraged to wear shin guards during practice sessions and games. Volunteer coaches are needed to ensure a successful program. Course curriculum includes American Heart Association CPR/AED Certification, basic first aid, hazardous materials awareness training, basic family preparedness strategies, proper use of home and office fire extinguishers, search and rescue, and more. Students also receive a CERT participant’s training manual, and a CERT backpack with basic personal protective equipment including hard hat, gloves, safety glasses, and a flashlight.

NEW! • HANDWRITING WORKSHOP FOR KIDS
AGES 4 - 10    KRAFTY KIDS INC.
The Art of Handwriting is a 4-week session to teach students this much-needed skill. Students will be required to complete work at home in addition to in class. The goal of this class is to teach how to write cursive letters, words, and full sentences. The question is, why is handwriting important in the digital age? It’s obvious the more we integrate technology, the more handwriting is forgotten. However, being fluent in handwriting can put students at an advantage. Handwriting has an educational benefit. Although schools have turned to iPads and laptops to teach, standardized testing is still written by hand. Studies show students whom are comfortable with handwriting score higher. Handwriting also has many creative aspects. It helps rid you of the distractions of the internet, but also makes brain storming easier because it’s less restrictive. Lastly, handwriting is a part of culture and brings each individual a sense of identity. Your writing can tell a lot about your character and the person you are.
