RDF stands for Resident Discounted Fee. The Parks and Recreation Department strives to provide quality and affordable recreation opportunities to the community. In recognizing that City of Newark residents support our department along with other city services through their city taxes, residents are offered a discounted fee. Non-residents will pay the regular fee for programs. If you're unsure about resident status, you may call the Parks and Recreation Department at (302) 366-7000.

Newark residents live within the corporate city limits. Not all persons with Newark mailing addresses live within the city limits. If you receive a City of Newark electric bill, you are a Newark resident. Not sure? The Parks and Recreation staff will be able to assist you at (302) 366-7000. Those persons not living within the city limits are welcome to enjoy our activities at the fee listed.

The City of Newark is committed to providing recreational opportunities to everyone without regard to economic circumstances. For this reason, a fee assistance program for City residents is available for qualifying individuals (youths and adults). If you are interested in finding out more about the program, you are encouraged to contact Paula Ennis, Deputy Director, at the Parks and Recreation office for more information. All inquiries and requests are strictly confidential. Funding for this program has been secured through the Federal Community Development Block Grant and is available on a limited basis.

The City and family and friends of Jim Hall have established a scholarship to honor his memory and recognize his great contribution to the Newark community. Jim Hall was the City's first Parks and Recreation Director, an outdoorsman and a conservationist. He founded our Summer Playground and Rittenhouse Camp programs to share his love of nature with Newark’s young people. The purpose of the scholarship is to provide tuition assistance to youth who would otherwise be unable to participate in our activities and programs. For more information call the Parks and Recreation office at (302) 366-7000. All inquiries and application materials are strictly confidential.

Andy Donovan was born on April 15, 1983 in Newark, Delaware. As a member of the Newark Parks and Recreation basketball program, he was the personification of sportsmanship. Not only was he an elite athlete, Andy was caring, bright, and dedicated. Very often Andy would bypass achieving a personal milestone to help improve younger and less talented children around him. Andy passed away in January of 2012 and this scholarship was established in his memory and to his commitment to sportsmanship and to Newark Parks and Recreation youth programs. The purpose of this scholarship is to provide tuition assistance to youth who would otherwise be unable to participate in our activities and programs. For more information call the Parks and Recreation office at (302) 366-7000. All inquiries and application materials are strictly confidential.

If you have a suggestion or comment regarding the Newark Parks and Recreation Department, please let us know. You may contact the department by phone at (302) 366-7000, parksrec@newark.de.us, or by mail at 220 South Main Street, Newark, DE 19711.

NCC DEPARTMENT OF EMERGENCY MANAGEMENT
The City of Newark, in cooperation with New Castle County Office of Emergency Management, will be conducting a Basic CERT training course. This 12 hour training program will be provided free of charge at the City Municipal Building located at 220 South Main Street.

During this two day, 12 hour course of instruction, students will learn a variety of hazard awareness and emergency preparedness skills which will make them and their families better equipped to deal with all hazardous emergency situations, as well as assist first responders and emergency management officials in certain aspects of response and post event recovery activities.

Course curriculum includes American Heart Association CPR/AED Certification, basic first aid, hazardous materials awareness training, basic family preparedness strategies, proper use of home and office fire extinguishers, search and rescue, and more. Students also receive a CERT participant’s training manual, and a CERT backpack with basic personal protective equipment including hard hat, gloves, safety glasses, and a flashlight.

Students will be provided a light dinner at the Friday evening session, and breakfast and lunch at the Saturday session at no cost.

The Community Emergency Response Team (CERT) Program educates people about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations.

Using the training learned in the classroom and during exercises, CERT members can assist others in their neighborhood or workplace when professional responders are not immediately available to help.
