RDF stands for Resident Discounted Fee. The Parks and Recreation Department strives to provide quality and affordable recreation opportunities to the community. In recognizing that City of Newark residents support our department along with other city services through their city taxes, residents are offered a discounted fee. Non-residents will pay the regular fee for programs. If you’re unsure about resident status, you may call the Parks and Recreation Department at (302) 366-7000.

Newark residents live within the corporate city limits. Not all persons with Newark mailing addresses live within the city limits. If you receive a City of Newark electric bill, you are a Newark resident. Not sure? The Parks and Recreation staff will be able to assist you at (302) 366-7000. Those persons not living within the city limits are welcome to enjoy our activities at the fee listed.

The City of Newark is committed to providing recreational opportunities to everyone without regard to economic circumstances. For this reason, a fee assistance program for City residents is available for qualifying individuals (youths and adults). If you are interested in finding out more about the program, you are encouraged to contact Paula Ennis, Deputy Director, at the Parks and Recreation office for more information. All inquiries and requests are strictly confidential. Funding for this program has been secured through the Federal Community Development Block Grant and is available on a limited basis.

The City and family and friends of Jim Hall have established a scholarship to honor his memory and recognize his great contribution to the Newark community. Jim Hall was the City’s first Parks and Recreation Director, an outdoorsman and a conservationist. He founded our Summer Playground and Rittenhouse Camp programs to share his love of nature with Newark’s young people. The purpose of the scholarship is to provide tuition assistance to youth who would otherwise be unable to participate in our activities and programs. For more information call the Parks and Recreation office at (302) 366-7000. All inquiries and application materials are strictly confidential.

Andy Donovan was born on April 15, 1983 in Newark, Delaware. As a member of the Newark Parks and Recreation basketball program, he was the personification of sportsmanship. Not only was he an elite athlete, Andy was caring, bright, and dedicated. Very often Andy would bypass achieving a personal milestone to help improve younger and less talented children around him. Andy passed away in January of 2012 and this scholarship was established in his memory and to his commitment to sportsmanship and to Newark Parks and Recreation youth programs. The purpose of this scholarship is to provide tuition assistance to youth who would otherwise be unable to participate in our activities and programs. For more information call the Parks and Recreation office at (302) 366-7000. All inquiries and application materials are strictly confidential.

If you have a suggestion or comment regarding the Newark Parks and Recreation Department, please let us know. You may contact the department by phone at (302) 366-7000, parksrec@newark.de.us, or by mail at 220 South Main Street, Newark, DE 19711.

Emphasis will be placed on games and drills designed to develop basic strokes (forehand, backhand, serve and volley) as well as learn the game of tennis and develop footwork and strategy. Eye/hand coordination drills, tennis related games and other fun activities will be used as we discover this lifetime sport. Be sure to wear cool, comfortable clothing, sneakers, sunscreen, and bring plenty of water to drink. If weather is questionable, call our Leisure Time Hotline at 302-366-7147.

SKATEBOARDING CAMP

AGES 5 - 12
(MUST HAVE COMPLETED KINDERGARTEN)
Previous skateboarding experience is not required. Skaters will be assessed on the first day of the camp and the lessons will be adapted to their ability. Beginners will learn the fundamentals of board handling and basic riding skills such as balance, carving, riding transitions, and dropping-in. Advanced skaters learn grinds, ollies, and airs, and have the chance to learn to drop in on bigger ramps and learn flip tricks. All participants are educated in skateboard safety, skatepark etiquette, and skateboard maintenance. Girls are encouraged to attend. We focus on learning and progression, and lessons are taught in a fun playful manner. Good sportsmanship and getting kids excited about skateboarding are our ultimate goals. Our instructors love to share their knowledge. We specialize in small groups making sure that every camper skates away with new skills and tricks. Did we mention FUN!? Fun is the number one priority of each day. We make sure that each camper receives individualized attention. Our days start with a warm up, stretching and skateboarding demonstration. Once campers are warmed up, they will be divided into groups based on ability. Students must have a skateboard, helmet, knee and elbow pads, and wrist guards.
