WHAT DOES RDF STAND FOR?

RDF stands for Resident Discounted Fee. The Parks and Recreation Department strives to provide quality and affordable recreation opportunities to the community. In recognizing that City of Newark residents support our department along with other city services through their city taxes, residents are offered a discounted fee. Non-residents will pay the regular fee for programs. If you’re unsure about resident status, you may call the Parks and Recreation Department at (302) 366-7000.

AM I A NEWARK RESIDENT?

Newark residents live within the corporate city limits. Not all persons with Newark mailing addresses live within the city limits. If you receive a City of Newark electric bill, you are a Newark resident. Not sure? The Parks and Recreation staff will be able to assist you at (302) 366-7000. Those persons not living within the city limits are welcome to enjoy our activities at the fee listed.

DOES THE CITY OF NEWARK OFFER FINANCIAL ASSISTANCE?

The City of Newark is committed to providing recreational opportunities to everyone without regard to economic circumstances. For this reason, a fee assistance program for City residents is available for qualifying individuals (youths and adults). If you are interested in finding out more about the program, you are encouraged to contact Paula Ennis, Deputy Director, at the Parks and Recreation office for more information at (302) 366 - 7000. All inquiries and requests are strictly confidential. Funding for this program has been secured through the Federal Community Development Block Grant and is available on a limited basis.

WHAT IS THE JAMES F. HALL YOUTH SCHOLARSHIP FUND?

The City and family and friends of Jim Hall have established a scholarship to honor his memory and recognize his great contribution to the Newark community. Jim Hall was the City’s first Parks and Recreation Director, an outdoorsman and a conservationist. He founded our Summer Playground and Rittenhouse Camp programs to share his love of nature with Newark’s young people. The purpose of the scholarship is to provide tuition assistance to youth who would otherwise be unable to participate in our activities and programs. For more information call the Parks and Recreation office at (302) 366-7000. All inquiries and application materials are strictly confidential.

WHAT IS THE ANDY DONOVAN SCHOLARSHIP?

Andy Donovan was born on April 15, 1983 in Newark, Delaware. As a member of the Newark Parks and Recreation basketball program, he was the personification of sportsmanship. Not only was he an elite athlete, Andy was caring, bright, and dedicated. Very often Andy would bypass achieving a personal milestone to help improve younger and less talented children around him. Andy passed away in January of 2012 and this scholarship was established in his memory and to his commitment to sportsmanship and to Newark Parks and Recreation youth programs. The purpose of this scholarship is to provide tuition assistance to youth who would otherwise be unable to participate in our activities and programs. For more information call the Parks and Recreation office at (302) 366-7000. All inquiries and application materials are strictly confidential.

AGES 8 - 15
RACHEL BARTON
Curtain’s Up, our popular stage performance drama program running now 13 seasons, continues to offer young people the opportunity to perform live theatre while gaining self-confidence, positive interaction with others, and self-awareness of surroundings. We have added an extra class on Wednesdays to allow more students the opportunity to perform in our Curtain’s Up program. This Fall, Curtain’s Up Theater proudly presents The Phantom of the Horse Opry. Students are creating a mash-up of when the phantom of the opera meets the wild west. Students will love performing all the comical characters such as the heroine; Purity Pureheart, her clumsy boyfriend; Dudley Dundee, the owner of the opry; Ma McGruder, the villain; S. Van Snaggletooth, the inept sheriff of Dodgy City, the chorus girls who sing and dance badly, and of course the mysterious phantom himself. There are many other hilarious roles in this tale with a surprise ending. Students will learn techniques of stage acting including vocal projection, stage movement, character development and more as they work toward a final scripted performance for family and friends. Since this is an ensemble production, attendance should be a priority, especially for the last two rehearsals.
