CITY OF NEWARK PARKS & RECREATION

F.A.Q.

WHAT DOES RDF STAND FOR?

RDF stands for Resident Discounted Fee. The Parks and Recreation Department strives to provide quality and affordable recreation opportunities to the community. In recognizing that City of Newark residents support our department along with other city services through their city taxes, residents are offered a discounted fee. Non-residents will pay the regular fee for programs. If you’re unsure about resident status, you may call the Parks and Recreation Department at (302) 366-7000.

AM I A NEWARK RESIDENT?

Newark residents live within the corporate city limits. Not all persons with Newark mailing addresses live within the city limits. If you receive a City of Newark electric bill, you are a Newark resident. Not sure? The Parks and Recreation staff will be able to assist you at (302) 366-7000. Those persons not living within the city limits are welcome to enjoy our activities at the fee listed.

WHAT IS THE JAMES F. HALL YOUTH SCHOLARSHIP FUND?

The City and family and friends of Jim Hall have established a scholarship to honor his memory and recognize his great contribution to the Newark community. Jim Hall was the City’s first Parks and Recreation Director, an outdoorsman and a conservationist. He founded our Summer Playground and Rittenhouse Camp programs to share his love of nature with Newark’s young people. The purpose of the scholarship is to provide tuition assistance to youth who would otherwise be unable to participate in our activities and programs. For more information call the Parks and Recreation office at (302) 366-7000. All inquiries and application materials are strictly confidential.

DOES THE CITY OF NEWARK OFFER FINANCIAL ASSISTANCE?

The City of Newark is committed to providing recreational opportunities to everyone without regard to economic circumstances. For this reason, a fee assistance program for City residents is available for qualifying individuals (youths and adults). If you are interested in finding out more about the program, you are encouraged to contact Paula Ennis, Deputy Director, at the Parks and Recreation office for more information at (302) 366 - 7000. All inquiries and requests are strictly confidential. Funding for this program has been secured through the Federal Community Development Block Grant and is available on a limited basis.

WHAT IS THE ANDY DONOVAN SCHOLARSHIP?

Andy Donovan was born on April 15, 1983 in Newark, Delaware. As a member of the Newark Parks and Recreation basketball program, he was the personification of sportsmanship. Not only was he an elite athlete, Andy was caring, bright, and dedicated. Very often Andy would bypass achieving a personal milestone to help improve younger and less talented children around him. Andy passed away in January of 2012 and this scholarship was established in his memory and to his commitment to sportsmanship and to Newark Parks and Recreation youth programs. The purpose of this scholarship is to provide tuition assistance to youth who would otherwise be unable to participate in our activities and programs. For more information call the Parks and Recreation office at (302) 366-7000. All inquiries and application materials are strictly confidential.

**AGES 18 & OVER**

**Debbie Gill**

We all know what it’s like to have a “charge” about something. It’s a feeling of excitement, fear, or irritation. But how do we use that charge for the behaviors we want to create? Charge is a word for the basic life force running through us. Discover how to live fully in the center of your charge, igniting the chakras, and opening to greater awakening using somatic-therapy. Learn to use a combination of yoga and bioenergetic exercises to charge and discharge the chakras, dissolve body armor and release established patterns in the nervous system. Some of the techniques are simple and can be done in a matter of minutes, anytime, anywhere, while others have a cumulative effect when practiced over time. All move energy at a deep level and can be used on yourself.

Curtain’s Up continues its wonderful opportunity for children to experience the excitement of performing live theatre. In this session, Shakespeare returns to Curtain’s Up with a hilarious parody, “Bubble, Bubble, Macbeth’s in Trouble”. Young actors will love performing this comedic adaptation of Shakespeare’s “Macbeth”, but with a modern flair. Shakespearean language, scenarios, and characters will be embellished humorously into the play. (Students had so much fun performing a similar parody, “Romeo and Julie”, based on “Romeo and Juliet”). It’s a great way to introduce Shakespeare as we explore the playwright and the times in which he lived. Our acting students will learn stage movement and direction, stage terminology, improvisation, blocking, character development, costuming, and many other theatre skills as well as an introduction to Shakespeare. What an exciting way to develop self-confidence, poise, self-esteem, concentration, communication, and positive interaction as well as make new friends as they work towards a final stage performance for family and friends. All students must be available for the dress rehearsal and performance. Performance will be held Friday, March 13 at 5:30 p.m.

Activity #: 1074-100  Fee: $139 RDF: $119
Dates: Jan. 24 - March 13
Days: Fri.   Hours: 4:30 - 6:15 p.m.

Acting students will love performing this hilarious take on the popular Downton Abbey. What happens when a new parlor maid is hired from the infamous Downton Abbey? The results are a comedy spoof of manners that pits the dignified residents of a stately British manor against a horde of zombies. The Lord and Lady of the Manor are preparing a dinner party and hire a new maid from Downton Abbey to help. But there’s something peculiar about her. Most of the regular servants fall under her power and the rest are gradually realizing a zombie plague is happening unbeknown to the dinner guests. Can they stop the zombie invasion from spreading? This physical and verbal comedy is based on Downton Abbey with a twist. Curtain’s Up 2 offers young actors the opportunity to experience live theatre when they perform on stage as they develop their acting techniques and skills. Performance will be held Friday, June 5, 5:30 p.m.

How do you get to Wonderland? Right here at Newark Parks & Recreation. Come along for the enjoyable adventure in this adaptation of the classic tale. Curtain’s going up on our popular acting class as our young actors learn the acting skills & techniques needed to give a polished stage performance such as stage movement, stage direction, vocalization, auditioning techniques, stage terminology, improvisation, character development, stage make-up, costuming, blocking, cold readings, awareness, trust, and many other theatre skills. Our acting students will develop a confident stage presence and have fun as they work towards a stage performance for family and friends. Students must be present for dress rehearsal & performance.
