Due to current restrictions with local and state mandates from the coronavirus, the schedule for programs and events are all subject to change. The safety of the participants and their families, spectators and staff is our #1 priority as we move forward in planning. We will continue to monitor the situation and reevaluate the status of our upcoming programs. We will make changes as needed based on the guidance from state and local agencies and the school district. Thank you for your continued patience and understanding!

Over the past year our community has been met with many challenges as a result of COVID-19, just like every other community across our country. Newark Parks and Recreation is committed to creating positive experiences and memories for you and your family within a safe and enjoyable atmosphere by following the current protocols by the State of Delaware Health and Social Services and the Governor’s mandates. Whether your family is involved in our camps, enjoying one of our events or using your outdoor voice in one of our 36 parks and over 350 acres of parkland, we hope that you have made new friends, created new memories and have fun this summer!

Please remember, keep safe social distancing and follow all CDC recommended guidelines when visiting our parks, trails and open spaces.

We continue to strive to help make Newark a healthy and active community and protect our parks and open spaces while maintaining a vision for the future.

Sincerely,
Joseph Spadafino

CITY OF NEWARK PARKS & RECREATION
F.A.Q.

WHAT DOES RDF STAND FOR?

RDF stands for Resident Discounted Fee. The Parks and Recreation Department strives to provide quality and affordable recreation opportunities to the community. In recognizing that City of Newark residents support our department along with other city services through their city taxes, residents are offered a discounted fee. Non-residents will pay the regular fee for programs. If you’re unsure about resident status, you may call the Parks and Recreation Department at (302) 366-7000.

AM I A NEWARK RESIDENT?

Newark residents live within the corporate city limits. Not all persons with Newark mailing addresses live within the city limits. If you receive a City of Newark electric bill, you are a Newark resident. Not sure? The Parks and Recreation staff will be able to assist you at (302) 366-7000. Those persons not living within the city limits are welcome to enjoy our activities at the fee listed.

DOES THE CITY OF NEWARK OFFER FINANCIAL ASSISTANCE?

The City of Newark is committed to providing recreational opportunities to everyone without regard to economic circumstances. For this reason, a fee assistance program for City residents is available for qualifying individuals (youths and adults). If you are interested in finding out more about the program, you are encouraged to contact Paula Ennis, Deputy Director, at the Parks and Recreation office for more information at (302)366-7000. All inquiries and requests are strictly confidential. Funding for this program has been secured through the Federal Community Development Block Grant and is available on a limited basis.

WHAT IS THE ANDY DONOVAN SCHOLARSHIP?

Andy Donovan was born on April 15, 1983 in Newark, Delaware. As a member of the Newark Parks and Recreation basketball program, he was the personification of sportsmanship. Not only was he an elite athlete, Andy was caring, bright, and dedicated. Very often Andy would bypass achieving a personal milestone to help improve younger and less talented children around him. Andy passed away in January of 2012 and this scholarship was established in his memory and to his commitment to sportsmanship and to Newark Parks and Recreation youth programs. The purpose of this scholarship is to provide tuition assistance to youth who would otherwise be unable to participate in our activities and programs. For more information call the Parks and Recreation office at (302)366-7000. All inquiries and application materials are strictly confidential.

Activity #: 1319-161  Fee: $60 RDF: $50
Dates: June 4
Days: Fri.
Hours: 7:30 a.m. - 5:30 p.m.
Location: George Wilson Center
Due to continued uncertainty regarding our capacity for after care and the level of demand for care we will use a lottery system again for enrollment in Downes After School Care for the 2021-2022 school year. All lottery entrants must register through our online registration system. You will receive a receipt confirming your registration for the lottery. If you do not receive a confirmation email, please check your spam folder. If you need help, please contact our office at parksrec@newark.de.us or call 302-366-7000 to confirm your lottery registration.

Families with multiple children must enter each child’s name into the registration system, however multiple entries will not increase chances of obtaining a spot. Families with multiple children will have a single number in the lottery drawing and all children in the family will either obtain a spot or be placed on the waiting list. Please enter once per child. Entries not obtaining a spot will be placed on the waiting list and contacted if openings occur.

**registration process**

*Click here to register for the lottery.*

Please register the child, not the adult. You will need to create an account if you do not have one already.

Please note we do not have a lottery for before care at Downes Elementary or for before and after care at West Park Elementary. Based on previous enrollment numbers, we do not anticipate having a waiting list for these programs.

**enrollment timeline**

**April 19 - May 5** • Lottery submissions accepted
All applications must be completed online and submitted by 12 p.m. on Wednesday, May 5 to be included in the lottery.

**May 10** • Families are offered a spot via email, based on lottery numbers and vacancies, and are given a deadline with a minimum of three business days to accept or decline placement. If accepting a spot, payment for the first month of care (Fee: $256, RDF: $246) is required to confirm acceptance. Actual deadline to accept and pay will be detailed in the email. If payment is not received by the deadline, the spot will be forfeited, and your children will be placed at the end of the waiting list.

**May 24** • Families not placed will be notified by email. The lottery list becomes a waiting list for the new school year, and families will be contacted should any spots become available.

**Late July** • Parents manual, related paperwork and important dates sent out via email.

**Aug. 20** • Required Enrollment Paperwork is due.

**Sep. 1** • October payments due.

**Sep. 8** • First day of school year.
Before COVID-19, our normal capacity for after care was 70 children. At press time we are unsure how many children we can take for the fall but will start with up to 50. If your child ends up on the waitlist, we will notify you of your number on the waiting list and add children if/when we know capacity can increase.

We do not have any information yet on the hours for the school day, cohorts or hybrid learning, etc. Initial monthly pricing is based on 5 days of in person care each week. Fees may change based on Christina School District decisions which affect the amount of care we provide. We do not know what time the school day will end, but our intent is to provide after care until 6 p.m.
