David Del Grande, Finance Director *DD*
Kevin Feeney, Deputy Chief of Police *KF*

VIA: Tom Coleman, City Manager *TC*

SUBJECT: Recommendation to Award Contract 21-07, Police Vehicle Equipment Procurement and Upfitting

PURPOSE

The purpose of this contract is to secure a vendor for the procurement of new equipment, removal of old equipment, and installation of equipment in Newark Police Department (NPD) vehicles. The contract requires that the vendor provide the specified equipment identified in bid appendices (A-D) and complete installation in a specified time frame. The contract terms are set for a period of two years.

At least eight (8) police vehicles will be included with this contract, with pricing provided for any additional upfitting needs that are needed over the course of the contract term. The eight (8) minimum vehicles associated with this contract are all 2021 Ford Utility Interceptors (3.3L). Specifically, two (2) of the vehicles will be fully marked per Appendix A and three (3) vehicles will be fully marked per Appendix A but will not include the Cradlepoint, delay timer, and printer. The remaining three (3) vehicles will be unmarked per Appendix B but will not include the Cradlepoint, delay timer, and printer. These items will be re-purposed from existing vehicles.

BID/PROPOSAL REVIEW PROCESS

Contract No. 21-07 was advertised in The News Journal and posted on the City's website ahead of the contract bid opening. Copies of the bid documents were also email to four (4) prospective bidders on Tuesday, April 6, 2021. On Tuesday, April 27, 2021, two (2) sealed bids were received from First Mobile Technologies of Conshohocken, PA and Delmarva Communications of New Castle, DE. These bids were publicly opened in the City of Newark Council Chambers. The bid details are as follows:

Bidder	Vehicle Type	Total Price	Turnaround Time
First Mobile Technologies	Marked Patrol	\$2,650.00	4-6 weeks
	Unmarked	\$2,450.00	4-6 weeks
	Admin	\$1,700.00	2-3 weeks
	K9	\$4,101.25	4-6 weeks
Delmarva Communications	Marked Patrol	\$2,200.00	13 business days
	Unmarked	\$1,800.00	13 business days
	Admin	\$900.00	5 business days
	K9	\$1,450.00	8 business days

Bidder	Upfit Removal (Hourly Rate)	Optional Install/Repair Outside of Warranty (Hourly Rate)
First Mobile Technologies	\$85.00	\$105.00
Delmarva Communications	\$75.00	\$75.00

Delmarva Communications currently serves as the upfitting vendor for the New Castle County Police, New Castle County Fire/EMS Departments, New Castle County Office of Emergency Management, and several other State of Delaware agencies. NPD has also utilized Delmarva Communications for the last several years to procure and install equipment on a variety of police vehicles. NPD is confident that Delmarva Communications can acquire the equipment specified in the appendices and complete the work in accordance with the noted timetable.

Based on the rates and prices provided through this bid by Delmarva Communications, the initial procurement and upfitting costs for the eight (8) vehicles noted above will be \$127,789.

FUNDING

Funding for this contract is available from the 2021-2025 Capital Improvement Program (CIP), project CEQSF in the amount of \$127,789 and has previously been approved by Council.
