AGREEMENT

Entered into this 12 day of December 2016 between the City of Newark, Delaware, hereinafter referred to as the Municipality, and the American Federation of State, County and Municipal Employees, AFL-CIO, and its Local Union No. 1670 hereinafter referred to as the Union, this Agreement shall replace the Agreement of 2014 between the parties.

ARTICLE I

1.0 PURPOSE

It is the purpose of this Agreement to promote and insure harmonious relations, cooperation and understanding between the Municipality and its employees covered hereby, to insure true collective bargaining, and to establish proper standards of wages, hours, working conditions and other conditions of employment.

1.1 UNION RECOGNITION

- A. The Municipality recognizes the American Federation of State, County and Municipal Employees, AFL-CIO and its Local No. 1670, as the sole and exclusive collective bargaining agent for the employees certified by the Department of Labor and Industrial Relations, State of Delaware for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment and other conditions of employment in accordance with Title 19, Delaware Code, Chapter 13, Part I (New Case No. 9, January 20, 1966 - New Case No. 9a, March 31, 1966).
- B. For the purpose of this Agreement, the term "employee" or "employees" shall include all hourly, non-supervisory employees working in , the Electric Department; the Parks and Recreation Department; the Planning and Development Department; and the Public Works-Water Resources Department, including its Maintenance Division, the Street Division, the Refuse Division, the Water and Waste Water Divisions , and in the bargaining unit covered hereby and excluding all other employees in the Municipality.
- C. The Union agrees that it will not accept into membership in this bargaining unit employees of the Municipality in the above excluded category.

1.2 PAYROLL DEDUCTION FOR DUES

- A. The Municipality agrees to deduct the periodic union membership dues uniformly required by the Union as a condition of retaining membership in accordance with the Constitution and By-Laws of the Union from the pay of employees who individually and voluntarily certify that they authorize such

deductions and who execute the "Authorization for Check-off of Dues" form.

- B. For the purpose of this Article, the term "dues" shall not be deemed to include any fine, assessment, contributions or other forms of payment required from the American Federation of State, County and Municipal Employees, AFL-CIO members.
- C. Union members who individually and voluntarily certify that they authorize such deduction assign to the American Federation of State, County and Municipal Employees, AFL-CIO, from wages earned or to be earned from the Municipality as an employee, the regular periodic dues as may hereafter be established and become due to the Union as said membership dues in the Union.
- D. The American Federation of State, County, and Municipal Employees, AFL-CIO and the Local Union jointly and separately agree to indemnify and save harmless the Municipality from any payments the Municipality may be required to make for the purpose of complying with the provisions set forth in Paragraph 1.2 A of this section.
- E. On or before the fifteenth (15) of each month, the Union shall deliver to the Municipality additional executed "Authorization for Check-off of Dues" forms under which union membership dues for the current month are to be deducted. Dues deductions shall be made from pay earned. Such withholdings shall be transmitted by the Municipality with a list of those from whom such deductions have been made, to the duly elected Treasurer of the Union not later than the tenth (10th) day of the following month.

1.3 MANAGEMENT OF MUNICIPALITY

The parties recognize that an area of responsibility must be reserved to the management of the Municipality if it is to function effectively. It is agreed that the following responsibilities of management are specifically reserved to management and are not subject to collective bargaining, except where any of them concern wages, salaries, hours, vacations, sick leave, grievance procedures and other terms and conditions of employment specifically defined in this Agreement:

- The determination of the services and the standard of services to be rendered to the citizens of the Municipality
- The determination of the Municipality's financial organization, policies and accounting procedures;
- The determination of the duties to be included in job classifications (it is understood by the parties that every incidental duty connected with operations enumerated in job descriptions is not always specifically described; nevertheless, it is intended that all such duties shall be performed by the employees);
- The determination of the standards to be used in selection for employment;

- The sole right to hire;
- The determination of the number of men or women to be employed or retained in employment;
- The necessity for overtime and the amount of overtime required;

1.4 UNION SECURITY

- A. As a condition of employment, all employees covered by this Agreement shall, thirty (30) days after the date of execution of this Agreement, or in case of newly hired employees, six (6) months after the date of hiring, become members of the Union and remain members in good standing therein during the term of this Agreement by tendering the periodic dues uniformly required as a condition of acquiring or retaining membership.
- B. It is agreed that certain employees who may have strong personal convictions which would preclude them from becoming a member of any labor organization, may not be caused to become a member of Local Union No. 1670, AFSCME, as a condition of employment. It is further agreed that the Municipality or any of its foremen or other agents or representatives, will not in any manner attempt to influence a present or future employee in a decision on this matter.
- C. Any employee of this bargaining unit represented by Local 1670, AFSCME, AFL-CIO, who does not meet the requirements of the section concerning Union Security of the Agreement must fill out a form provided by the Municipality which sets forth the employee's personal convictions. A copy of this form shall be sent to the President of Local No. 1670.
- D. In the event of a dispute over this matter, it may become subject to the Grievance Procedure, including arbitration.
- E. The Union shall indemnify and save the City harmless against any and all claims, demands, suits or other forms of liability that may arise by reason of action taken or not taken by the employer for the purpose of complying with any of the provisions of this Article.

1.5 UNION REPRESENTATION

- A. The employees in this bargaining unit shall be represented for the purpose of grievance adjustment by a grievance committee of three (3) employee members including the President of Local No. 1670 who shall act as Chairman,

the Steward of the aggrieved, and the aggrieved employee.

B. The Municipality agrees to recognize the following Stewards:

- One (1) Steward - Electric Department
- One (1) Steward - Water Division

- C. Stewards, the Chairman of the Grievance Committee and Grievance Committee members may leave their place of work without loss of pay with the understanding that the time be devoted to the proper investigation and processing of grievances as specified in the Grievance Procedure herein, and the time so spent, to be paid for by the Municipality will be the time spent by the Stewards in the First (1st) Step of the Grievance Procedure, time so spent by the Chairman of the Grievance Committee in the Second (2nd) Step of the Grievance Procedure and time so spent by the Grievance Committee in the Third (3rd) Step of the Grievance Procedure at their respective straight time hourly rate.
- D. Stewards and the Chairman of the Grievance Committee will continue to work at their assigned jobs except when required to leave their work to handle grievances as provided herein.
- E. When required to process grievances under the Grievance Procedure, employees, Stewards, the Chairman of the Grievance Committee and Grievance Committee members shall, prior to leaving and upon returning to their place of work, notify their immediate foremen.

The International Representative of the American Federation of State, County and Municipal Employees, AFL-CIO, if requested by the Local Union, may participate in special meetings called by the Union. The party requesting the special meeting will notify the other party, in writing, of the subject to be discussed.
- G. The size of the union negotiating committee shall be limited to no more than five (5) on-duty employees. No more than two (2) on-duty employees, excluding the president, may be from any one department.

1.6 STRIKES

During the term of this Agreement, the Union or Local or their representatives will not cause or sanction their members to cause or take part in any strike, sit-down, stay-in or slow-down, or other stoppage of work in any of the operations of the Municipality.

In the event of a work stoppage, picketing, or any other curtailment by the Union or the employees covered hereunder, the Union, by its Officers and Agents, shall immediately declare such work stoppage, picketing, or other curtailment, to be illegal and unauthorized, in writing, to the employees and order said employees, in writing, to stop the said conduct and return to work. Copies of such written notices shall be served upon the City. The Union shall do everything in its power to obtain the return to work from said employees. Any violation of the requirements of this Section is grounds for immediate cancellation of this Agreement by the City.

The City shall have the sole and unlimited right to discipline including summary discharge, any employee who instigates, participates in, or gives leadership to any activity herein prohibited.

1.7 DISCRIMINATION AND COERCION

- A. Neither the Municipality nor any of its direct supervisor or other agents or representatives shall discriminate against any employee because such employee is a member of or acting as a Steward, Officer, or other agent or representative of the Union. Nothing in this Section is intended to prevent a supervisor, direct supervisor, or department head from discussing concerns regarding an employee's work-related problems.
- B. Neither the Union, nor any Steward, Officer, or other agent or representative of either shall intimidate or coerce any employee.
- C. The Municipality and the American Federation of State, County and Municipal Employees, AFL-CIO, have the policy and practice of non-discrimination in selection, employment, promotion, demotion, transfer, layoff, termination, recall, rehire, training and education of personnel regardless of their race, creed, color, national origin, handicapped status or sex. The application of this policy of non-discrimination will continue based solely upon the individual's ability, performance and potential in accordance with the policy of the Municipality and the terms of this collective bargaining Agreement.

ARTICLE II

2.0 GRIEVANCE PROCEDURE

Any grievance or dispute, which may arise between the parties, shall be settled in the following manner. However, disputes shall be fully exhausted after the reply from the City Manager or the City Manager's representative at Step Two (2). For the purpose of this Agreement, a grievance shall be defined as a disagreement, which may arise between the parties concerning the application, meaning or interpretation of this Agreement unless specifically excluded by this Agreement. A dispute shall, for the purposes of this Agreement, be defined as any disagreement, which may arise between the parties regarding matters other than those concerning the application, meaning or interpretation of this Agreement.

Time limits, as set forth herein, may be extended in writing by agreement of the parties.

INFORMAL MEETING

- A. Any employee having a grievance or dispute, or one designated member of a group having a grievance or dispute, should first, and within ten (10) working days of the date the employee knew or should have known of the cause for the grievance or dispute, take the matter up with the employee's direct supervisor who will attempt to adjust it; however, any employee may request his or her direct supervisor to call the Steward for that section to handle a specified grievance or dispute. The direct supervisor will send for the Steward without undue delay and without further discussion of the matter. The Steward may at this time privately discuss the grievance or dispute with the aggrieved.
- B. The direct supervisor and the employee(s), with or without the Steward shall have a respectful and professional discussion in an effort to resolve the issue presented by the grievance or dispute.

STEP ONE

- A. If the matter is not adjusted by the direct supervisor, it shall be reduced in writing on forms provided by the Municipality and signed by the employee(s) involved and the Steward. The grievance shall include a statement of the facts involved, the alleged violation of the Agreement (not applicable in the event of a dispute), and the remedy sought. The grievance shall be submitted to the employee's department director within three (3) working days after the employee and the direct supervisor meet.
- B. The department director, or his assigned, shall schedule a meeting within three (3) working days with the Chairman of the Grievance Committee to discuss the appealed grievance or dispute. At the conclusion of such discussion, the department director shall submit the decision in writing on the form within three (3) working days and shall sign the written form.

STEP TWO

If the decision of the department head is unsatisfactory, the Union shall have the right through its Grievance Committee to appeal said grievance or dispute to the City Manager and/or the City Manager's representative(s). Request for such appeal meeting must be made to the City Manager in writing by the Chairman of the Grievance Committee within three (3) working days after the decision has been submitted by the department head to the Union in Step Two of the Grievance Procedure. The City Manager and/or the City Manager's representative(s) will arrange for a meeting within seven (7) working days from the date of receipt of appeal. This meeting shall also be attended by International Representatives of the American Federation of State, County and Municipal Employees, AFL-CIO. The City Manager and/or the City Manager's representative(s) shall submit a decision in writing within seven (7) working days following the appeal meeting and sign the written form.

2.1 ARBITRATION

STEP FOUR: APPEAL TO ARBITRATOR

- A. In the event a grievance is still unsettled, it may be appealed to arbitration. Notice of appeal of such case to arbitration shall be filed by the Chairman of the Grievance Committee with the other party within ten (10) working days after the final decision has been given in writing by the Municipality in Step Three of the Grievance Procedure; otherwise, such case shall be considered settled on the basis of the decision so given.
- B. Any grievance arising out of or relating to the interpretation or application of the Agreement shall be submitted to arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association. The parties further agree to accept the arbitrator's award as final and binding upon them. The cost of the arbitrator's fees and expenses shall be borne by the party against whom the arbitrator's decision is made. The arbitrator shall, in the decision, stipulate the party against whom the decision is made and all arbitration fees and expense invoices shall be directed to that party.
- C. The arbitrator shall render a decision no later than thirty (30) calendar days after the conclusion of the hearing. The arbitration award shall be in writing and shall set forth the arbitrator's opinion and conclusion on the issue(s) submitted. The arbitrator shall limit the decision strictly to the application and the interpretation of the provisions of the Agreement. Issues involving increased costs, which are matters of contract negotiations, such as the development and modification of a system-wide salary schedule, are not arbitrable. The arbitrator shall be without power to make decisions limiting or interfering with the powers, duties and responsibilities of the City of Newark under its Charter, applicable law and rules and regulations having the force and effect of law.

- D. In case of a grievance involving any continuing or other money claim against the Municipality, no award shall be made by the arbitrator which shall allow any alleged accruals prior to the date when such grievance shall have been presented to the Municipality in writing, except in a case whereby the employee or the Union due to lack of knowledge could not have known prior to that date that there were grounds for a claim. In such cases, retroactive claims shall be limited to a period of twenty (20) calendar days prior to the date the claim was first filed in writing.
- E. Excluded from arbitration are disputes and unresolved grievances concerning the discipline or discharge of strikers who struck in violation of the No-Strike Pledge in this Agreement. Also excluded from arbitration is any matter otherwise subject to arbitration, but over which the Union strikes, contrary to its No-Strike Pledge in this Agreement. However, it is understood that should the City, in response to a violation of any of the prohibited activities enumerated in Article I, Section 1.6, Strikes, take the "disciplinary" and/or "immediate cancellation of this Agreement" action as provided for in Article I, Section 1.6, Strikes, that this contract Grievance Procedure including Arbitration as defined herein shall remain in effect for the sole and strictly limited purpose of allowing a procedural review and final determination of whether or not there had been any violation of any of the prohibited activities enumerated in Article I, Section 1.6, Strikes. Excluded from the arbitration are unadjusted grievances which question the exercise of rights set forth in Article I, Section 1.3 of this Agreement or which question the use or application of any right over which the employer is given unilateral discretion in this Agreement, excepting those rights relinquished by this Agreement.
- F. Any employee or group of employees seeking arbitration under the provisions of this Article agree that as a condition for the submission of any issue to arbitration, the grievant knowingly and willingly agrees to accept the contractually provided for arbitration procedure as satisfying any state or federally required procedural due process and to accept the decision of the arbitrator as dispositive of all substantive due process rights. If any employee or group of employees refuses to accept these terms and conditions, said grievance shall be ruled non-arbitrable. Should any state or federal legislation or court decision rule that any employee can maintain a court action and not be bound by the arbitrator's decision on issues actually raised or on issues that could have been raised, all subsequent issues of that type and kind shall no longer be heard in arbitration. No grievance alleging violation of race, sex, color, religion, national origin or age (as provided by law) shall be subject to arbitration.

2.2 MUNICIPALITY GRIEVANCES

Any grievance which the Municipality may have against the Union involving the interpretation or application of this Agreement shall be presented to the Grievance Committee of the Union. In the event the matter is not satisfactorily adjusted within ten (10) days after such presentation, it may be appealed at the Third Step in the Grievance Procedure. If the matter is not satisfactorily settled at this meeting, it may

be appealed to Arbitration as provided for in Section 2.1, Arbitration.

2.3 OBJECTIVITY

The Union is obligated when reviewing or submitting complaints, grievances, appeals, or problems encountered, to make every reasonable effort to ascertain, document, and present the true facts relating to the situation in order to facilitate appropriate and timely resolution or action.

2.4 COOPERATION

The Union agrees to cooperate with the employer, upon request, in formulating steps necessary to alleviate any abuses of responsibilities, rights, or privileges by employees of the unit, which impede the efficient operation of the Municipality.

2.5 GPS

The City implemented GPS units on fleet vehicles. The data collected by GPS units shall not be disciplinary in nature, rather may be considered information that may be reviewed and investigated relating to existing personnel policies. Information collected by GPS shall not be relied upon for disciplinary measures unless it is verified or corroborated.

2.6 COMMUNICATIONS

The City shall provide \$25.00 per month to eligible regular full-time or part-time employee for the personal use of the employee's cellular phone. The employee shall be required to possess a working device for telephonic calls or text messaging at no additional cost to the employer. The employee's personal device shall be the mechanism for the employer to contact during the work day, as well as off-hour call out situations.

At the sole discretion of the employer, an employee may be required to utilize their smart phone device during work, at which time the employer shall provide a \$50.00 per month value in lieu of the \$25.00.

ARTICLE III – LEAVE OF ABSENCE

3.0 SICK AND EMERGENCY LEAVE

- A. Cumulative sick leave shall accrue to all regular, full-time City employees at the rate of one and one-quarter (1 1/4) days for each month of continuous service, provided however, that the total accumulation shall not exceed ninety (90) working days and provided further that the City Manager, or his assigned, may require a medical certification for all absences of three (3) or more days. The City Manager, or his assigned, may permit a regular, full-time employee to take not more than thirty (30) working days sick leave with pay over and above the accrued sick leave in cases of serious disability or sickness, upon certification by a practicing physician. All sick leave advanced to a regular, full-time employee shall be repaid to the City at the rate of one and one-quarter (1 1/4) days for each continuous month of service occurring after the return to duty. Should a regular, full-time employee leave City employment with a sick time advance liability against his or her record, such liability will be deducted from accrued earnings. Note: nothing herein shall prevent the City from requesting a medical note for events that are determined to be systematically excessive or abusive.
- B. If a regular, full-time employee takes nine (9) or more days of sick leave in a calendar year, five (5) days of sick leave will be deducted from the employee's accrued sick leave balance as of January 1 of the following calendar year. If all or part of the nine (9) or more days of sick leave is a result of the employee's hospitalization or a serious or catastrophic illness, the employee may request that the five (5) day penalty provision be waived. This request shall be made in writing, accompanied by appropriate medical documentation, and shall be reviewed by a four (4) member board composed of two employees appointed by the City Manager and two employees from the Union appointed by the President of the Union. The board's decision on the granting of such waivers shall be final except that the employee may appeal the decision of the board to the City Manager as a dispute under the provisions of Article II of this Agreement.
- C. A regular, full-time employee with good attendance during the calendar year will be credited with three (3) additional days of sick leave at the beginning of the following calendar year. Good attendance shall be defined as less than five (5) sick leave days. These additional sick leave days will be added to the employee's accrued sick leave bank. For sick leave pay back purposes, these additional sick leave days shall be credited at the end of the calendar year of good attendance. Each employee who has enrolled in the Sick Leave/Pension Incentive Plan shall not be eligible for the Sick Leave Accrual Bonus provided by this Section.
- D. To receive compensation for sick leave, it is the regular, full-time employee's responsibility to report his or her inability to be on duty and the reason as early as possible, but in any event, not later than one-half (1/2) hour

after the time set for the beginning of his or her daily duties. Where someone other than the employee is or has been asked to make the required notification to the City, the employee will be solely responsible for that notification being made. Sick leave notification as outlined herein must be made for each work day that paid leave is being requested, unless this requirement is waived by the employee's department director or immediate supervisor. Employees may request a meeting with the City Manager and/or the City Manager's designee to explain extenuating circumstances for failure to report their inability to be on duty as required. The City Manager, after considering such extenuating circumstances, may grant compensation for such leave.

D. SICK PAYMENT AT RETIREMENT

An employee who is retirement eligible may utilize up to four (4) weeks of accrued time off after final day worked. After the employee announces his or her retirement, a separation letter will be generated. No later than four (4) weeks the employee shall be considered an 'active retiree' and commence retirement benefits. The employee shall be paid for up to one-hundred fifty (150) hours of Available Accrued Sick Time, and the employee shall complete a retirement form that will submit their last day worked and method of Sick Time payment. No prorated vacation or pension credit accruals shall occur after the actual last day worked.

F. EMERGENCY LEAVE

Each regular, full-time employee may be allowed to use up to a maximum of three (3) day off work with pay per calendar year to attend to a serious, sudden and unforeseen nature, which require the employee's immediate attention. Such situations may include an unforeseen illness or medical emergency to an immediate family member, or an unforeseen incident to the employee's principal residence. Immediate family shall be defined as Article III, Section 3.1 Death in Family.

- G. Provided, further that on January 1 or as soon after as practical of each calendar year, each regular, full-time employee shall be paid at the rate of one (1) day of base pay for each three (3) days of sick leave over the allowable ninety (90) days accumulated during the preceding year. Each regular, full-time employee who has enrolled in the Sick Leave/Pension Incentive Plan shall not be eligible to receive compensation for unused Sick Leave as provided by this Section.
- H. Provided, further, that if the City Manager delegates a subordinate to determine whether or not a medical certification is to be required from an employee who was alleged to be sick for three (3) or more days, the employee may appeal the decision of the delegate to the City Manager. Note: nothing herein shall prevent the City from requesting a medical note for events that are determined to be systematically excessive or abusive.
- I. Provided further, that it is understood that a regular, full-time employee's

attendance record shall be the major criterion used by the City Manager in making a decision on the granting of advance sick leave or emergency leave to any employee requesting it and who meets the minimum requirements listed above. The determination of a good or poor attendance record shall remain within the City Manager's discretion and the City Manager will take extenuating circumstances into account.

3.1 DEATH IN FAMILY

When death occurs in any regular, full-time employee's immediate family, the employee will be excused on request up to five (5) days to attend the funeral and will be compensated at his straight time hourly rate for normal scheduled hours lost as follows:

The immediate family shall be defined to include employee's spouse, children, step-children, parents, brother, sister, step-brother, step-sister, step-mother, step-father, mother-in-law, step-mother-in-law, father-in-law, step-father-in-law, brother-in-law, step-brother-in-law, sister-in-law, step-sister-in-law, grandparents and grandchildren.

Each employee may be required by the Municipality to show proof of death and relationship. Except in extraordinary cases approved by the City Manager or their assigned, bereavement leave days must be taken consecutively and must commence within seven (7) days of the death of the immediate family member.

Employees may utilize sick leave contiguous to bereavement leave with the supervisor's approval, which shall not be unreasonably denied.

3.2 MILITARY PAY DIFFERENTIAL

A regular, full-time employee with one (1) or more years of service attending annual encampments or training duty in the Armed Forces, State or National Guard or United States Reserves shall be granted a military pay differential for a period of up to ten (10) days annually. Any regular, full-time employee with one (1) year or more of service who is called for emergency duty with the Armed Forces, State or National Guard or United States Reserves shall be granted a military pay differential for a period of up to ten (10) days annually. The employee shall be given credited service for each ten (10) day period or portion thereof during which the employee is absent. Such military pay differential shall be the amount by which the employee's normal wages calculated on the basis of a work week up to a maximum of forty (40) hours which the employee has lost by virtue of such absence exceeds any pay received from the federal or state government. Such items as subsistence, rental and travel allowance shall not be included in determining pay received from the federal or state government. Seniority shall accumulate. Any employee required to take a military examination for the purpose of being inducted into the Armed Forces shall be paid for time off up to eight (8) hours.

3.3 MILITARY LEAVE

A regular, full-time employee who enters either active or inactive training duty or service in the Armed Forces of the United States under any applicable status, upon the termination of such service, will be reemployed by the Municipality in accordance with the provisions of the applicable statute, seniority permitting. As used in this paragraph "Armed Forces of the United States" is defined as and limited to the United States Army, Navy, Marine Corps, Air Force, Coast Guard, National Guard, Air National Guard or any reserve component unit thereof.

3.4 JURY DUTY – SUBPOENAED WITNESS

Recognizing it is the obligation of every citizen to serve when called upon to do so, each employee will be excused from work for jury duty or when subpoenaed as a witness.

Any regular, full-time employee who is called and reports for jury duty or as a witness under this paragraph shall be paid basic straight time hourly rate lost by employee by reason of such duty, for each day served as a jurist or witness on which the employee otherwise would be scheduled to work for the Municipality, up to a limit of eight (8) hours per day and forty (40) hours per week. Employee shall sign over any fee received for fulfilling jury duty, less documented parking expenses, and submit with his/her timesheet. This provision shall not apply to cases in which the employee is a party to the matter.

3.5 UNION CONVENTIONS

The City agrees to grant a leave of absence to no more than three (3) employees at any time to attend the regular biennial convention convened by AFSCME International Union, Delaware Council 81, or the Delaware State Labor Council. The Union agrees to notify the City in writing prior to the use of this leave. This leave shall not exceed for the entire Union, ten (10) man days during any two (2) consecutive calendar years. Each employee shall only receive fifty percent (50%) of the employee's regular compensation while absent on this leave.

3.6 POLITICAL OR UNION OFFICE

Any employee with seniority who is elected or appointed to public office or elected to a permanent office in the American Federation of State, County and Municipal Employees, AFL-CIO or Local Union No. 1670, shall be granted a leave of absence without pay for a period of one (1) year. Such leave may be renewed at the option of the Municipality upon application by the employee. Seniority shall accumulate but not as criteria for holiday, vacation pay or other benefits as set forth herein.

3.7 PERSONAL LEAVE

A leave of absence without pay up to thirty (30) days may be granted for personal reasons to regular, full-time employees with seniority other than to seek or obtain

employment elsewhere. 2. Business casual shall be the minimum standard for dress attire.

 - b. Male-styled Dress: Shorts, jeans, sneakers, and flip-flops/hiking sandals are not acceptable attire unless a part of a particular event or program approved by the City. Dress sandals and/or ‘boat shoes’ can be worn with appropriate shirts and slacks. Overtly tight or revealing clothing is not acceptable to meet the intent of this policy.
 - c. Female-styled Dress: Attire shall be acceptable lengths to meet the intent to professionally represent the City; professional style skirts and slacks shall be expected to meet business casual intent of policy.
 - d. Female-styled Dress: Shorts, jeans, sneakers, and flip-flops/hiking sandals are not acceptable attire unless a part of a particular event or program approved by the City.  - a. Hat gear is acceptable for ‘field’ employees that are exposed to the environmental elements. The gear shall be City specific, or a solid plain blue or green color – private logos, sports teams or affiliations are not

acceptable for the intent of this policy. This standard shall apply to winter hat gear as well.

- b. Hat gear is not acceptable for traditionally 'administrative' employees working primarily within City Hall or its affiliated offices.
 - c. Visible tattoos, piercings, and body art shall be acceptable as long as it is not offensive, a safety risk, hazard or distraction to perform the employee, or their colleagues, work.

- a. The colors within the City logo shall be the preferred color of clothing worn – a standard blue, dark blue or light blue, along with green. However, any other solid color without logo is acceptable. Sleeveless attire is not permitted. All apparel shall be solid in color without logo or print, except if it contains the City logo or text, and text is limited to "City of Newark, Delaware." To purchase logo apparel see Purchasing Administrator in the City Manager's Office for pricing and information only.
